

## *The Murder*

It is early evening and the family, friends and associates of the Late Count Blackwell have gathered for dinner and the reading of his will.

The Count's mysterious death occurred just the night before.

His remains were discovered in the library by his wife Elenor (the Countess) around 1 AM. He had been reduced to a puddle of blood and smoking ash.

Recently the Count's safe had been opened and it's contents stolen.

Can you solve this horrific murder and theft?

## **Lilith Blackwell** *Vampire*

The first Blackwell daughter; a vampire vixen, spoiled, sexy, loves human men and is currently dating Marcus, a dancer from the local strip club.

*Costume:* The classic female vampire, dark and sexy. Long red fingernails, black hair, ready to seduce any unsuspecting human and drink them dry.

*Bring portable plastic vampire teeth if you can find them.*
