

THE MURDER MYSTERY

A **skeleton** has been dug up at Satis House. The side of its skull bashed in. A **very bloody murder indeed.**

Its boney fingers clutch a note written **years earlier**, on the morning of Miss Havishams wedding.

Could this be the fiancé who never arrived at the altar 23 years ago?
If not then... **who is it?**

YOUR PLAYERS PROFILE IS

Fagin

*From Dickens
Oliver Twist*

A conniving career criminal. Fagin takes in homeless boys and trains them to **pick pockets** for him. He is nasty and vile.

However on the flip side, with his extensive knowledge on illegal activities he may have made a good detective.

Costume: *Dressed in black Fagin would look as if he sleeps on the street. Black gloves with the tips cut off, a couple of pocket watches dangling from his coat, and badly colored teeth.*
