

The Murder

It is early evening and the family, friends and associates of the Late Count Blackwell have gathered for dinner and the reading of his will.

The Count's mysterious death occurred just the night before.

His remains were discovered in the library by his wife Elenor (the Countess) around 1 AM. He had been reduced to a puddle of blood and smoking ash.

Recently the Count's safe had been opened and it's contents stolen.

Can you solve this horrific murder and theft?

Jonathan Harker *Human*

A conscientious and hard-working young lawyer who is the estate agent for Count Blackwell. Jonathan's fiancé Mina Murray has accompanied him on this recent trip to Blackwell Manor. Jonathan will facilitate the reading of Count Blackwell's Will and Testament.
