

## THE MURDER MYSTERY

A **skeleton** has been dug up at Satis House. The side of its skull bashed in. A **very bloody murder indeed.**

Its boney fingers clutch a note written **years earlier**, on the morning of Miss Havishams wedding.

Could this be the fiancé who never arrived at the altar 23 years ago? If not then... **who is it?**

## YOUR PLAYERS PROFILE IS

### *Miss Havisham*

*From Great Expectations*

An **immensely rich** and grim spinster who lives in her ruined mansion, Satis House, with her **adopted daughter, Estella**. She is manic and often seems insane flitting around her house in a **faded wedding dress**. She has a vendetta against all men and deliberately raised Estella to break men's hearts, specifically a local boy whose name is Pip.

---

**Costume:** *An old ripped and faded wedding dress, small veil (an old white nightgown could work as well). Ghost like make-up. Pale white skin with dark circles under the eyes.*
