The Murder Mystery

Shortly after 11:30 PM Captain Smith's First Officer, Bill Murphy, was found dead in his cabin with a rope tied tightly around his neck.

He lay face down on the carpet. His tea service was smashed and in disarray on the floor.

The body was discovered by Mr. Ismay. A Titanic medical examiner explained that the death was possibly due to a special "hog-tie" that caused asphyxiation. This is an unusual knot, not known by many.

More evidence will be available soon.

You will be traveling to the past in order to unravel an undocumented murder aboard the Titanic. If the murder is solved, you may alter history and save the lives of many. You will be assuming the character of:

Miss Tessie Anderson

A young girl who wants to shake off her chaperone and have a good time. 18-year-old Tessie is prim and proper, but on the inside she's filled with impatient thoughts. Raised on a farm estate, Tessie secretly dated a farm hand who taught her pig roping techniques.

The recent unexplained death of her mother would free her, but she feels resentment having to be chaperoned by her Aunt, Margaret Petree.

Costume: Victorian teenager.
