# The Murder

1922

Beneath the shimmer of chandeliers and the music of a distant orchestra, the evening takes a deadly turn. A body has been discovered floating in the fountain at Gatsby's legendary estate… which means someone at this very party is a murderer.

Tonight, you are not simply guests, you are suspects. Behind every toast lies a secret, behind every smile an alibi, and behind every string of pearls a clue waiting to be uncovered.

Who among you turned a night of glamour into a night of murder?
