

THE MURDER MYSTERY

A **skeleton** has been dug up at Satis House. The side of its skull bashed in. A **very bloody murder indeed**.

Its boney fingers clutch a note written **years earlier**, on the morning of Miss Havishams wedding.

Could this be the fiancé who never arrived at the altar 23 years ago? If not then... **who is it?**

YOUR PLAYERS PROFILE IS

Estella

*From Dickens
Great Expectations*

The **adopted daughter** of Miss Havisham is beautiful, but as cold as ice. She blames her mother for a really horrible life; living in a **dilapidated mansion**, and raised to hate men and break their hearts. Estella displays all the characteristics of a **true sociopath**. She is manipulative and cunning with superficial charm.

Costume: *Estella would wear a Victorian-style dress. Always trying to be attractive to "Pip" in order to break his heart.*
