## The Murder Mystery

Shortly after 11:30 PM Captain Smith's First Officer, Bill Murphy, was found dead in his cabin with a rope tied tightly around his neck.

He lay face down on the carpet. His tea service was smashed and in disarray on the floor.

The body was discovered by Mr. Ismay. A Titanic medical examiner explained that the death was possibly due to a special "hog-tie" that caused asphyxiation. This is an unusual knot, not known by many.

More evidence will be available soon.

You will be traveling to the past in order to unravel an undocumented murder aboard the Titanic. If the murder is solved, you may alter history and save the lives of many. You will be assuming the character of:

### Molly Brown

A no-nonsense kind of gal, with an energetic southern accent. She enjoys poking her nose into everything. Whether it is crazy stories or southern expressions pouring from her mouth, she is always entertaining. Molly's recent exploits; investing in a new business brought her to the Titanic.

**Suggested costume:** A bit tacky and over the top. A huge hat, as well as a fur wrap, a long skirt with jacket, and a diamond brooch. Southern Accent!

### Who committed the murder
